Dear XX [Client's Name, to be picked from the Home page of the tool],

Thank you for using Sirat's**NetZero Platfrom**to measure the carbon footprint generated from your **(pick the activity name from the tool, which the client have added in the tool home page)**activity. We deeply value your commitment to sustainability and appreciate your proactive approach in understanding and mitigating your environmental impact.

We're pleased to provide you with the carbon footprint report, detailing the emissions associated with the above mentioned activity.

Total Carbon Footprint :

Digital Campaign	0.00 metric CO2e

Total = 0 metric CO2e

Total tCO2e = 0.00 tCO2e

For every $ you spend you are generating 23 kgCO2e (the 23 value needs to be- total emissions in kgCO2e divided by the budget)

If you have any questions or need further assistance on how to reduce the carbon emissions, please contact at info@sirat.earth . We are here to help you on your journey towards a more sustainable future.

Best regards,

Team Sirat
